

IRISH FOOTBALL ASSOCIATION
EXCEPTIONS PANELS GUIDANCE IN RESPECT OF YOUTH PLAYERS

Unless otherwise defined in the Appendix to this guidance note, defined terms used in this note are set out in the IFA's Points Based System criteria for Governing Body Endorsements.

1. The purpose of this document is to provide guidance on the process for requesting an Exceptions Panel in respect of a Youth Player.

Minimum requirements

2. In the revised PBS, there is no minimum points threshold which a Youth Player must achieve in order for the Club to request an Exceptions Panel. A Club can therefore request an Exceptions Panel for any Youth Player who does not meet the pass mark of 15 points (and is not required to evidence that exceptional circumstances prevented the Player from achieving 15 points).
3. However, Clubs will have to evidence that the Youth Player shows significant potential and is of sufficient quality to enhance the development of the game in Northern Ireland. If the Exceptions Panel is not satisfied by the evidence submitted by the Club, a GBE will not be granted.
4. Clubs will also have to comply with any Rules and/or guidance of their respective leagues regarding the number of Youth Players requiring a GBE that it may register per season.

Evidence

Although each case will be assessed on its merits, the IFA has set out in this section of the document the evidence that a Club is recommended to submit in respect of a Youth Player in order to satisfy the Exceptions Panel that the Youth Player shows significant potential and is of sufficient quality (paragraph 20(e) of the men's game criteria). Although Clubs are not required to submit each of these categories of evidence/information if they fail to do so a GBE may not be granted if the Exceptions Panel is not satisfied by the evidence before it.

For the avoidance of doubt, the information set out in paragraph 12 should be submitted in addition to the documents required pursuant to paragraphs 20(a)-(f) of the PBS.

5. A Club is recommended to submit:
 - a. A breakdown of:
 - i. the Youth Player's UEFA Youth League Minutes;
 - ii. the Youth Player's CONMEBOL U20 Libertadores Minutes;
 - iii. the Youth Player's Youth Competition Minutes; and
 - iv. the Youth Player's B Team Minutes
 - b. Statements from the applicant Club's manager, technical director or director of football (for example, supporting the application, commenting on the Youth Player's attributes and/or explaining how the Youth Player would fit into the Club's plans and system)
 - c. Statements from the manager, technical director or director of football of the Youth Player's former club (for example, recommending the Youth Player or commenting on the Youth Player's attributes)
 - d. A statement from the relevant manager(s) of the Youth Player's National Association
 - e. Scouting reports and/or analysis
 - f. Player technical and/or pathway analysis
 - g. Evidence that the Club is or has been actively negotiating with the Youth Player in respect of the potential transfer
 - h. Any additional supporting information to evidence that the Youth Player shows significant potential and is of sufficient quality to enhance the development of the game in Northern Ireland

Relevant factors

Although each case will be assessed on its merits, the IFA has set out in this section of the document the factors that the Exceptions Panel may take into account when deciding whether or not to recommend to the IFA that a GBE be granted. These factors are largely based on the evidence to be provided by a Club pursuant to the PBS and paragraph 8 above.

6. The Exceptions Panel may (but is not bound to) consider any or all of the following non-exhaustive list of factors:
 - a. The points achieved by the Youth Player under the PBS
 - b. Why the Youth Player did not achieve the pass mark
 - c. The Youth Player's involvement with first team football during the Reference Period (or any earlier period that the Exceptions Panel deems appropriate), including, but not limited to:
 - i. the Youth Player's Domestic Minutes
 - ii. the Youth Player's Domestic Cup Minutes and
 - iii. the Youth Player's Continental Minutes
 - d. The Youth Player's involvement with Relevant Youth Competitions, including, but not limited to:
 - i. the Youth Player's UEFA Youth League Minutes
 - ii. the Youth Player's CONMEBOL U20 Libertadores Minutes
 - iii. the Youth Player's Youth Competition Minutes and
 - iv. the Youth Player's B Team Minutes

This formed part of the criteria for Youth Players in the January transfer window in 2021 but will be used as an indicative measure of the Youth Player's experience going forwards (rather than formal criteria).
 - e. The Band of the Club(s) the Youth Player was registered for during the Reference Period
 - f. The Youth Player's involvement with Senior Competitive International Matches, including, but not limited to:
 - i. the Youth Player's International Appearances
 - ii. the Youth Player's call-ups and/or training with the senior team of the Youth Player's National Association
 - g. The Youth Player's involvement with Youth Internationals, including, but not limited to:
 - i. the Youth Player's Band 1 International Appearances
 - ii. the Youth Player's Band 2 International Appearances
 - iii. the age group of the relevant Band 1 Youth Internationals and/or Band 2 Youth Internationals)
 - h. The Aggregated FIFA World Ranking of the Youth Player's National Association

The Exceptions Panel may also consider any other information and/or factors that it considers appropriate.
